

## ABOUT US

Founded in 1974 as LMP Fasteners, we have decades of expertise in the selection, procurement, and application of Industrial and Commercial Fasteners. Our legacy continues today as WorldSource Fasteners®, your local, full service, stocking Fastener Specialists. Throughout the years our focus hasn't changed, to offer our customers the best service, local inventory, technical expertise, and professionalism possible. We are dedicated to searching the world over in an effort to create the best value available in the Industrial and Commercial Fastener industry. Whether a standard off the shelf solution, or a highly engineered custom solution, we will find what you need to fasten your job!

Headquarters in Germantown, Wisconsin

WorldSource Fasteners® provides solutions for streamlining your supply process through fastener and component procurement, inventory management programs, global and local sourcing services, kitting, assembly, and other customizable supply chain services.
